With this report, the Joint Committee on Administrative Rules and Regulations (Committee) provides its comments on rules and regulations reviewed at its meeting on November 27, 2023. Agencies are asked to respond to each comment or request for information; responses are compiled and maintained by staff of the Kansas Legislative Research Department.

Board of Examiners in Optometry

KAR 65-5-14, biennial renewal.

The Committee had no comments.

State Board of Mortuary Arts

KAR 63-2-3, responsibilities of funeral director.

The Committee recommends the agency pursue legislative action regarding the proposed change to the charge and personal supervision of a Kansas licensed funeral director.

The Committee recommends the rule and regulation include an upper limit on the number of funeral establishments for which a Kansas funeral director may be in charge and have personal supervision.

The Committee requests the agency consider adding provisions to the rule and regulation to establish a minimum frequency at which or the circumstances under which a licensed funeral director must provide in-person supervision to a funeral establishment.
