

KANSAS STATE BOARD OF EDUCATION**Notice of Public Hearing on Proposed Administrative Regulation**

January 22, 2024

The Kansas State Board of Education will conduct a public hearing at 1:30 p.m., or as soon thereafter as possible, on Tuesday, May 14th, 2024, in the Board Room of the Landon State Office Building, 900 SW Jackson Ave., Suite 102, Topeka, Kansas, to consider the adoption of a proposed rule and regulation of the Kansas State Board of Education on a permanent basis.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rule and regulation. All interested parties may submit written comments prior to the hearing to the Secretary of the Kansas State Board of Education at the below address or by email to dbremer@ksde.org. The address for the Kansas State Board of Education is Landon State Office Building, 900 SW Jackson Ave., Suite 102, Topeka, Kansas 66612. All interested parties will be given a reasonable opportunity to present their views orally regarding the adoption of the proposed regulation during the public hearing. In order to provide all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes. The hearing shall be conducted in compliance with the public hearing procedures of the Kansas State Board of Education.

Any individual with a disability may request an accommodation in order to participate in the public hearing, and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Wendy Fritz at (785) 296-5363 (or TDD 785-296-8172) or by e-mail to wfritz@ksde.org. The north entrance to the Landon State Office Building is accessible. Handicapped parking is located at the south end of the Landon State Office Building, across the street from the north entrance to the building, and on Ninth Street, just around the corner from the north entrance to the building.

A copy of the proposed regulations and its economic impact statement may be obtained by contacting the Office of General Counsel at the address above prior to the date of the hearing or by email to gc@ksde.org.

A summary of the proposed regulation and its economic impact follows.

K.A.R. 91-31-35

The amended regulation changes the minimum requirements that school districts must include in their graduation requirements for high school students. The changes include: at least one-half unit of the four units required of English Language Arts must be a Communication course; the previous requirement for a full unit of physical education is replaced by a minimum one-half unit of physical education and one-half unit of health education; an added requirement for one-half unit of financial literacy; and one unit of advanced science, technology, engineering, advanced math, or other similar course.

RECEIVED

JAN 22 2024

SCOTT SCHWAB
SECRETARY OF STATE

The amended regulation will reduce the number of elective courses from six units to four and one-half units. The amended regulation will require students to complete two or more accomplishments approved by the Kansas State Board of Education that demonstrate post-secondary success, and will require students to complete the federal Free Application for Federal Student Aid unless that requirement is waived by the district's chief administrative officer.

The Kansas State Board of Education does not anticipate any significant financial or economic impact to this agency, other state agencies, or to the public as a result of these regulations.

91-31-35. Graduation requirements. (a) Each governing body shall adopt a written policy specifying that pupils are eligible for graduation only after completion of at least the following graduation requirements as established by the state board:

(1) Four units of English language arts, which shall include reading, writing, literature, ~~communication, and grammar, and at least one-half unit of communication.~~ The chief administrative officer may waive up to one unit of this requirement if the chief administrative officer determines that a pupil will benefit more by taking another subject;

(2) three units of history and government, which shall include world history; United States history; United States government, including the Constitution of the United States; concepts of economics and geography; and, except as otherwise provided in ~~K.A.R. 91-31-32~~ K.A.R. 91-31-35 (e), a course of instruction in Kansas history and government;

(3) three units of science, which shall include physical, biological, and earth and space science concepts and which shall include at least one unit as a laboratory course;

(4) three units of mathematics, including algebraic and geometric concepts;

(5) one-half unit of physical education, ~~which shall include health and which may include safety, first aid, or physiology.~~ This requirement shall be waived if the school district is provided with ~~either of the following:~~

(A) ~~A~~ a statement by a licensed physician that a pupil is mentally or physically incapable of participating in a regular or modified physical education program; ~~or~~

(B) ~~a statement, signed by a lawful custodian of the pupil, indicating that the requirement is contrary to the religious teachings of the pupil;~~

(6) one-half unit of health education which may include safety, first aid, or physiology. This requirement shall be waived if the school district is provided with a statement, signed by a lawful

custodian of the pupil, indicating that the requirement is contrary to the religious teachings of the pupil;

(7) one-half unit of financial literacy;

(8) one unit of fine arts, which may include art, music, dance, theatre, forensics, and other similar studies selected by the governing body; and

(9) one unit of advanced science, technology, engineering, advanced math or other similar studies selected by the governing body;

(10) six-four and one-half units of elective courses;

(11) two or more accomplishments approved by the State Board that demonstrate the pupil will be a successful Kansas high school graduate;

(12) One of the following filings, unless exempted by the chief administrative officer;

(A) A free application for federal student aid with the United States department of education, or;

(B) On a form created by the state board, file a waiver with the governing body indicating that a parent or guardian or, if the pupil is at least 18 years of age or legally emancipated, the pupil understands what the free application for federal student aid is and has chosen not to file an application.

(b) At least 21 units of credit shall be required for graduation.

(c) A unit may only satisfy one graduation requirement at a time.

(d) Any governing body may increase the number of units of credit required for graduation. Any additional requirements of the governing body that increase the number of units of credit required for graduation shall apply to those students who will enter the ninth grade in the school year following the effective date of the additional requirement.

(e) The governing body shall waive the requirement for a course of instruction in Kansas history and government required in K.A.R. 91-31-35(a)(2) for any student who transfers into the district at a grade level above that in which the course is taught.

Section I

Brief description of the proposed rule(s) and regulation(s).

The amended regulation changes the minimum requirements that school districts must include in their graduation requirements for high school students. The changes include; at least one-half unit of the four units required of English Language Arts must be a Communication course; the previous requirement for a full unit of physical education is replaced by a minimum one-half unit of physical education and one-half unit of health education; an added requirement for one-half unit of financial literacy; one unit of advanced science, technology, engineering, advanced math, or other similar course.

The amended regulation will reduce the number of elective courses from six units to four and one-half units. The amended regulation will require students to complete two or more accomplishments approved by the Kansas State Board of Education that demonstrate post-secondary success, and will require students to complete the federal Free Application for Federal Student Aid unless that requirement is waived by the district's chief administrative officer.

Section II

Statement by the agency if the rule(s) and regulation(s) exceed the requirements of applicable federal law, and a statement if the approach chosen to address the policy issue(s) is different from that utilized by agencies of contiguous states or the federal government. *(If the approach is different or exceeds federal law, then include a statement of why the proposed Kansas rule and regulation is different.)*

There is no federal requirement regarding the minimum graduation requirements imposed by state education agencies. Every state imposes some form of minimum graduation requirements.

Section III

Agency analysis specifically addressing the following:

- A. The extent to which the rule(s) and regulation(s) will enhance or restrict business activities and growth;

The proposed regulations will not have no impact on business activities or growth.

DOB APPROVAL STAMP (if Required)

- B. The economic effect, including a detailed quantification of implementation and compliance costs, on the specific businesses, sectors, public utility ratepayers, individuals, and local governments that would be affected by the proposed rule(s) and regulation(s) and on the state economy as a whole;

The proposed regulations will have no economic effect or impact on compliance costs for any specific businesses, sectors, public utility ratepayers, individuals, and local governments, or on the state economy as a whole.

- C. Businesses that would be directly affected by the proposed rule(s) and regulation(s);

There are no businesses directly affected by the proposed regulations.

- D. Benefits of the proposed rule(s) and regulation(s) compared to the costs;

The benefit of the proposed regulation amendment is to update the minimum number and types of courses that a successful high school graduation should have in order to achieve at least some level of success after graduation. The updated requirements better align with what state business, community, and government leaders have told the State Board is needed in order to be successful, regardless of what path a student may take after graduation.

- E. Measures taken by the agency to minimize the cost and impact of the proposed rule(s) and regulation(s) on business and economic development within the State of Kansas, local government, and individuals;

There are no costs or impacts on business and economic development with the proposed regulations.

- F. An estimate of the total annual implementation and compliance costs that are reasonably expected to be incurred by or passed along to businesses, local governments, or members of the public.

Note: Do not account for any actual or estimated cost savings that may be realized.

Costs to Affected Businesses – \$0

Costs to Local Governmental Units – \$0

Costs to Members of the Public – \$0

Total Annual Costs – \$0

(sum of above amounts)

DOB APPROVAL STAMP (if Required)

Give a detailed statement of the data and methodology used in estimating the above cost estimate.

The Kansas State Department of Education compared the cost of implementing the proposed regulations to the cost of implementing the current accreditation regulations and found no changes in cost.

- Yes
 - No
 - Not Applicable
- If the total implementation and compliance costs exceed \$1.0 million over any two-year period through June 30, 2024, or exceed \$3.0 million over any two-year period on or after July 1, 2024, and prior to the submission or resubmission of the proposed rule(s) and regulation(s), did the agency hold a public hearing to find that the estimated costs have been accurately determined and are necessary for achieving legislative intent? If applicable, document when the public hearing was held, those in attendance, and any pertinent information from the hearing.

If applicable, click here to enter public hearing information.

Provide an estimate to any changes in aggregate state revenues and expenditures for the implementation of the proposed rule(s) and regulation(s), for both the current fiscal year and next fiscal year.

There will be no changes to state revenue or expenditures for the implementation of the proposed regulations.

Provide an estimate of any immediate or long-range economic impact of the proposed rule(s) and regulation(s) on any individual(s), small employers, and the general public. If no dollar estimate can be given for any individual(s), small employers, and the general public, give specific reasons why no estimate is possible.

There will be no immediate or long-range economic impact of the proposed regulation on any individual, small employer, or the general public other than improving a graduating student's chances of personal, social, educational, and professional success.

- G. If the proposed rule(s) and regulation(s) increases or decreases revenues of cities, counties or school districts, or imposes functions or responsibilities on cities, counties or school districts that will increase expenditures or fiscal liability, describe how the state agency consulted with the League of Kansas Municipalities, Kansas Association of Counties, and/or the Kansas Association of School Boards.

The proposed regulations neither increases or decreases the revenues of cities, counties or school districts, nor does it impose functions or responsibilities on cities, counties or school districts that will increase expenditures or fiscal liability. Since the inception of the proposed regulations, the Kansas Association of School Boards has had a representative on a graduation taskforce who provided no indication of revenue increases or decreases.

DOB APPROVAL STAMP (If Required)

- H. Describe how the agency consulted and solicited information from businesses, associations, local governments, state agencies, or institutions and members of the public that may be affected by the proposed rule(s) and regulation(s).

In 2021, Kansas Commissioner of Education Randy Watson established the Graduation Requirements Task Force to conduct a thorough review of Kansas' current high school graduation requirements and submit recommendations to the Kansas State Board of Education for its consideration. The task force was charged with identifying any courses that should be added or be removed, with conducting a review of all competencies and identify multiple ways to show mastery of skills that will allow students to move at their own pace and time, and with studying the benefit of requiring value-added assets in addition to the high school diploma. The Task Force was made up of over 40 educators, business leaders, and elected officials.

Section IV

Does the Economic Impact Statement involve any environmental rule(s) and regulation(s)?

- Yes If yes, complete the remainder of Section IV.
- No If no, skip the remainder of Section IV.

- A. Describe the capital and annual costs of compliance with the proposed rule(s) and regulation(s), and the persons who would bear the costs.

Click here to enter agency response.

- B. Describe the initial and annual costs of implementing and enforcing the proposed rule(s) and regulation(s), including the estimated amount of paperwork, and the state agencies, other governmental agencies, or other persons who would bear the costs.

Click here to enter agency response.

- C. Describe the costs that would likely accrue if the proposed rule(s) and regulation(s) are not adopted, as well as the persons who would bear the costs and would be affected by the failure to adopt the rule(s) and regulation(s).

Click here to enter agency response.

DOB APPROVAL STAMP (If Required)

D. Provide a detailed statement of the data and methodology used in estimating the costs used.
