

KANSAS DEPARTMENT FOR AGING AND DISABILITY SERVICES

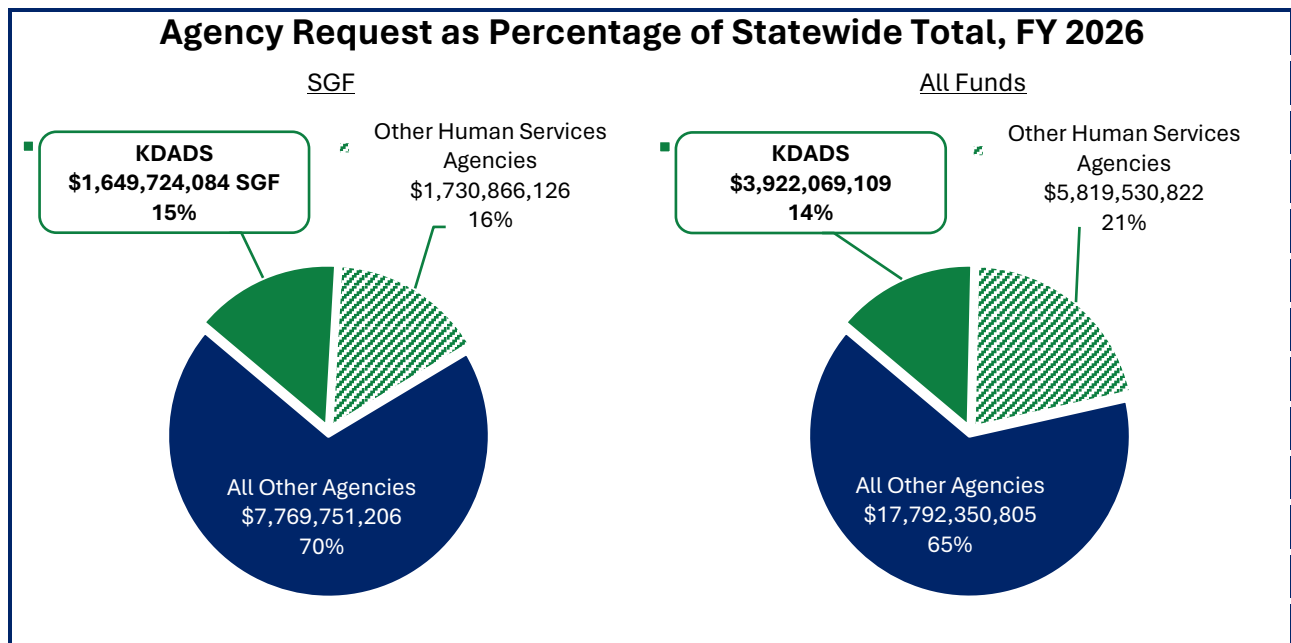

Budget Summary – Agency Request

Executive Summary

The Kansas Department of Aging and Disability Services (KDADS) was established by statute in 1977 as a cabinet-level agency, known as the Department of Aging until 2012. The agency is headed by a secretary appointed by the Governor, subject to confirmation by the Senate. Its goals are to promote the security, dignity, and independence of older adults and persons with disabilities. KDADS is responsible for Medicaid long-term care payments, survey and certification for adult care homes, behavioral health programs, home and community-based services for older adults and persons with disabilities, and management and oversight of the five state hospitals. KDADS is mandated under the federal Older Americans Act to serve as an advocate for seniors and to administer programs funded by Older Americans Act appropriations.

KDADS is responsible for overseeing the administration of the Medicaid Home and Community Based Services (HCBS) waivers for older adults and persons with disabilities. Kansas currently has seven separate HCBS waivers: Autism (AU), Frail Elderly (FE), Intellectual and Development Disability (I/DD), Physical Disability (PD), Serious Emotional Disturbance (SED), Technology Assisted (TA), and Brain Injury (BI).

Approved Budget

1. 2025 SB 125

The 2025 Legislature passed, and the Governor enacted, one bill appropriating and adjusting funding for state agencies. Select appropriations for this agency include:

- **Fall Human Services Caseload Estimate:** The Legislature approved adoption of the fall human services caseloads estimate in the amount of \$319.3 million, including \$87.0 million SGF in FY 2026;
- **I/DD Waiver Slots:** The Legislature approved \$14.0 million, including \$5.4 million SGF to add 200 individuals from the I/DD waitlist to the waiver in FY 2026;
- **I/DD Reimbursement Rates:** The Legislature approved \$10.5 million, including \$4.2 million SGF to increase reimbursement rates for I/DD waiver services in FY 2026; and
- **Nursing Facility Rebase:** The Legislature approved \$12.4 million, including \$4.8 million SGF to fully rebase nursing facility reimbursement rates in FY 2026.

Reappropriations

2. SGF Reappropriation

The agency reappropriated \$175.1 million in unspent SGF funds from FY 2025 to FY 2026. This includes:

- **State Institutional Alternative (SIA) Beds:** \$70.1 million SGF. These SIA beds are regional alternatives to being at state mental health hospitals. This fund reappropriated due to planned construction spending over multiple years for the South Central Regional Mental Health Hospital in Sedgwick County. The agency anticipates the majority of this to be spent on construction in FY 2026, with the remainder spent in FY 2027;

KANSAS DEPARTMENT FOR AGING AND DISABILITY SERVICES

Budget Summary – Agency Request

- **HCBS FMAP Savings:** \$39.6 million SGF. The Centers for Medicare & Medicaid Services (CMS) required the state to invest these savings in efforts that benefit HCBS; and
- **HCBS Waiver Services:** \$24.2 million SGF. This funding was primarily reappropriated due to the length of time it takes to fill the additional slots added during FY 2025.

3. SIBF Reappropriation

The agency reappropriated \$10.1 million in unspent SIBF funds from FY 2025 to FY 2026. These funds are for approved projects at four state hospitals.

4. SGF Reappropriation – 1.5 Percent Lapse

As part of the lapse identified in item 4, the Legislature approved a lapse of 1.5 percent of SGF reappropriations supporting state operations in FY 2026. For KDADS, this totals a decrease of \$182,284 SGF in FY 2026 and adjusts total SGF reappropriations to \$174.9 million.

Other Changes

5. All Other Adjustments

The agency's revised estimate includes a decrease of \$4.7 million in all other adjustments in FY 2026.
