The mission of the Office of Administrative Hearings (OAH) is to conduct efficient, fair, and impartial hearings for constituents and other affected parties who contest the actions of state agencies and other governmental entities. Through administrative law judges (ALJs), the OAH conducts adjudicative proceedings for a variety of state agencies in accordance with the Kansas Administrative Procedure Act (KAPA). Per the KAPA, certain agencies must go through the OAH to resolve most procedural issues.

The six agencies¹ that most frequently utilize OAH services make quarterly retainment payments to the OAH. All other agencies make payments to the OAH based on hourly services provided by the OAH. Since the OAH receives its funding from agencies that utilize OAH services, *expenditures for the agency are categorized as off-budget expenditures* to avoid double counting payments from one state agency to another.

¹ Kansas Department for Children and Families, Kansas Department of Health and Environment—Division of Health Care Finance, Kansas Department of Labor, Kansas Department of Health and Environment, and the Kansas Civil Service Board within the Department of Administration

Agency

The **agency** requests a revised estimate of \$2.1 million, all from the Administrative Hearings Office Fund, in off-budget expenditures and 14.0 FTE positions in FY 2026. This represents a decrease of \$97,824, or 4.4 percent, below the amount approved by the 2025 Legislature. The adjustment is due entirely to the agency budgeting less for salaries and wages expenditures due to one Attorney position being reclassified as one Legal Assistant position. In addition, the agency is anticipating expending less on employer contributions for fringe benefits.

Special Committee on the State Budget

The **Special Committee** concurs with the agency's revised estimate in FY 2026.

Agency

The **agency** requests \$2.1 million, all from the Administrative Hearings Office Fund, in off-budget expenditures and 14.0 FTE positions for FY 2027. This represents a decrease of \$82,131, or 3.7 percent, below the amount approved by the 2025 Legislature. As is the case in the current year, the agency is budgeting less for salaries and wages (\$89,653) due to one Attorney position being reclassified as one Legal Assistant position, and changes to employer contributions for fringe benefits. The reduction is partially offset by an increase for all other adjustments (\$7,522), including computer and database upgrades to streamline the administrative claims process, for FY 2027.

Special Committee on the State Budget

The **Special Committee** concurs with the agency request for FY 2027.
