Major Issues in 2026 HB 2513

FY 2026

HB 2513 adjusts total state expenditures to \$27.8 billion, including \$10.9 billion SGF, in FY 2026. This is an all funds increase of \$1.7 billion, or 6.4 percent, and an SGF decrease of \$213.6 million, or 1.9 percent, from the **FY 2026 approved budget**. Further, this is an all funds increase of \$352.1 million, or 1.3 percent, and an SGF increase of \$326.7 million, or 3.1 percent, above **HB 2434 and SB 315 as introduced**. This would leave a remaining balance in the SGF of \$2.2 billion in FY 2026.

HB 2513 includes the following changes from HB 2434 and SB 315 as introduced:

- Adds \$16.6 million State Water Plan Fund (SWPF) to **restore select reappropriations**;
- Adds \$285.6 million SGF to **restore select reappropriations** that were lapsed by the Special Committee on the State Budget; and
- Adds \$39.2 million SGF for **contract staffing**.

FY 2027

HB 2513 adjusts total state expenditures to \$26.8 billion, including \$10.7 billion SGF, for FY 2027. This is an all funds decrease of \$1.0 billion, or 3.7 percent, and an SGF decrease of \$186.4 million, or 1.7 percent, from the **FY 2026 revised estimate**. Further, this is an all funds increase of \$487.7 million, or 1.9 percent, and an SGF increase of \$238.0 million, or 2.3 percent, above **HB 2434 and SB 315 as introduced**. This would leave a remaining balance in the SGF of \$1.8 billion for FY 2027.

HB 2513 includes the following changes from HB 2434 and SB 315 as introduced:

- Adds \$49.8 million, including \$18.9 million SGF, for a **Medicaid capacity payment** for nursing facilities of \$15 per resident per day;
- Adds \$56.5 million, including \$15.0 million SGF, for the **Children's Health Insurance Program**;
- Adds \$41.7 million, including \$16.0 million SGF, to provide a **6.0 percent reimbursement rate increase** for providers of HCBS Intellectual/Developmental Disability waiver services;

OVERVIEW OF HB 2513

Budget Recommendations – Conference Committee

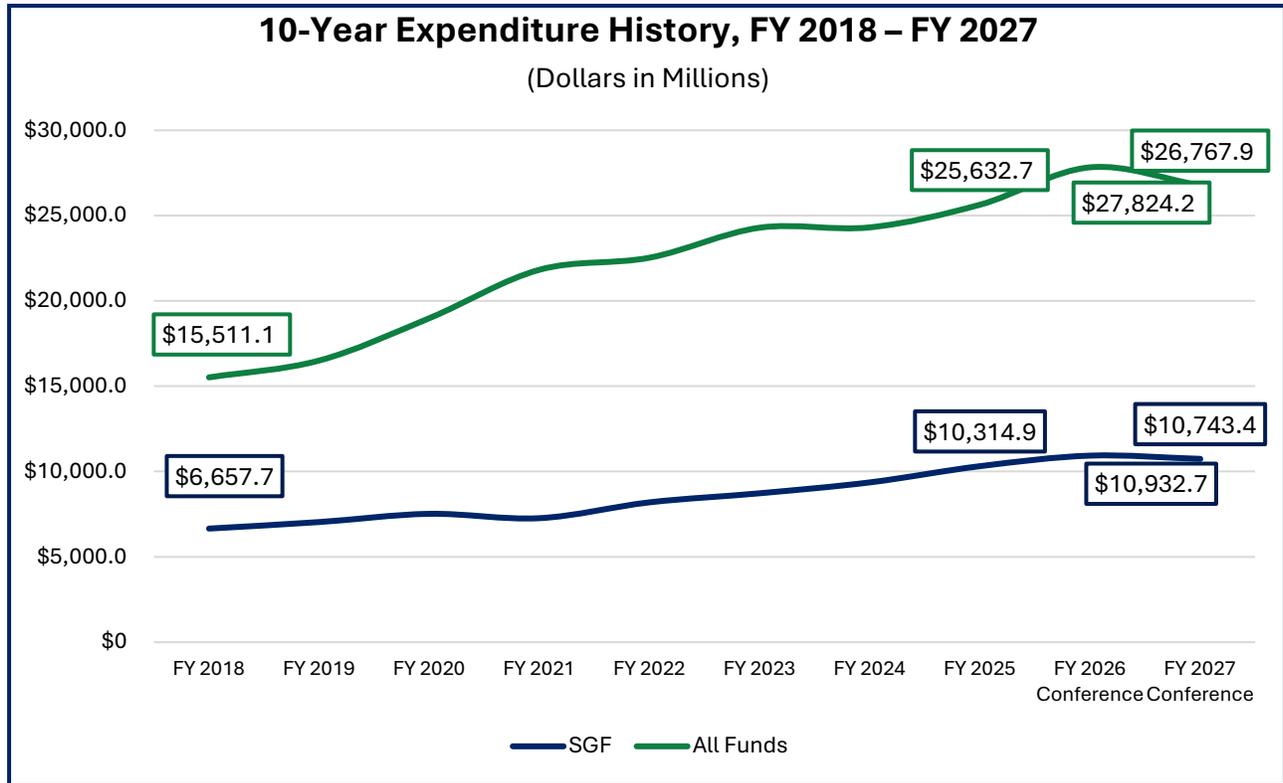

- Adds \$40.0 million, including \$15.0 million SGF, to cover the current **HCBS Frail Elderly (FE) waiver services overages** and to formally establish a waitlist for such waiver services;

- Adds \$22.0 million, including \$20.0 million SGF, and 336.0 FTE positions, to fund the first year of operations at the **South Central Regional Mental Health Hospital**;
- Adds \$20.7 million SGF in funding for **technical and community colleges**;
- Adds \$13.3 million, including \$5.3 million SGF, to **increase the Physical Disability agency-directed personal care services** from \$19.52 per hour to \$29.00 per hour and **reduce the FE Level 3 Personal Care Services** from \$33.24 to \$30.00 per hour;
- Adds \$12.0 million SGF to increase expenditures for **contract staffing** at Larned State Hospital and Osawatomie State Hospital;
- Adds \$11.0 million SGF for debt service payments for the **Veterinary Diagnostic Lab** at the Kansas State University Veterinary Medical Center;
- Adds \$10.0 million ARPA to **attract and develop new businesses** to Kansas;
- Adds \$10.0 million SGF for hospitals providing **inpatient behavioral health services** for adults;
- Adds \$6.0 million SGF for **Special Education State Aid**; and
- Deletes \$9.3 million SGF to **lapse 1.5 percent of state operations** funded from the SGF. This lapse would not apply to SGF-financed operating expenditures for authorized contractual services, specific projects, or an identified program or entity. Additionally, the following are exempt from this provision: judicial and legislative agencies, correctional facilities, the Kansas Bureau of Investigation, Kansas Sentencing Commission, veterans' homes, the Office of the Attorney General, state hospitals, the Kansas Highway Patrol, the Kansas Board of Regents, and Regents institutions.

Language-only Items

- Adds language to lapse SGF moneys associated with the salaries and wages of **positions that have been vacant for 60 calendar days** or the entire fiscal year;
- Adds language to credit **Budget Stabilization Fund (BSF) interest** earned to the SGF for FY 2027-2030. This provision would take effect only when the BSF balance reaches 20.0 percent of actual tax receipt revenues in the previous fiscal year, and this transfer would be limited to 50.0 percent of the amount of tax-only receipts that exceed Consensus Revenue Estimates; and
- Adds language requiring the Kansas State Department of Education (KSDE) to report **state assessment cut scores** using cut score standards from prior to July 1, 2025 and prohibiting the agency from using the new cut scores when reporting results of the state assessments for SY 2025-2026 and SY 2026-2027.

* FY 2026 approved includes reappropriations of unused funds from FY 2025 to FY 2026.

** These programs are moving to alternative funding. SIDS is moving to SGF, Smoking Prevention is moving to KEY Fund, and Pre-K Pilot is moving to TANF for FY 2027.

^ This program will get SGF if there is not enough CIF funding for it. As of 3/25/2026, that is estimated to be a transfer of \$4.6 million SGF.

Kansas Endowment for Youth – Statutory Authority

The Kansas Endowment for Youth (KEY) was established by KSA 38-2101 with the intention of providing an ongoing source of investment earnings available to fund programs for Kansas youth. The fund was established by the 1999 Legislature as part of the response to the 1998 Master Tobacco Settlement Agreement with four major tobacco companies. Payments from the settlement are deposited into the KEY fund and much of the money is transferred to the Children's Initiative Fund to fund programs that benefit children and families.

[KSA 38-2101](#)

(a) The Kansas Endowment for Youth shall constitute a trust fund and be managed and administered by the board of trustees of the Kansas public employees retirement system (KPERs).

(b) All moneys received by the state pursuant to the tobacco litigation settlement, shall be deposited into the state treasury and credited to the Kansas Endowment for Youth. Expenditures may be made from the KEY fund to pay for operating expenses of the Kansas Children's Cabinet and board of trustees, including the expenses of investing and managing moneys attributable to the KEY Fund. All money credited to the KEY Fund shall be invested to provide an ongoing source of investment earnings available for periodic transfer to the Children's Initiatives Fund (CIF).

(b) Money shall be invested and reinvested with the goal of preserving the fund and providing benefits to the beneficiaries of the CIF. No moneys in the fund shall be invested if the "primary investment objective is for economic development or social purposes or objectives."

Children's Initiatives Fund – Statutory Authority

The Children's Initiatives Fund (CIF) is authorized by KSA 38-2102. This statute was passed by the 1999 Legislature as part of the response to the 1998 Master Settlement Agreement with four major tobacco companies. Payments from the settlement are deposited into the Kansas Endowment for Youth (KEY) Fund. Moneys are then transferred from the KEY Fund to the Children's Initiatives Fund. Further details on the Children's Initiatives Fund is provided below.

[KSA 38-2102](#)

(a) Establishes the CIF.

(b) Requires all moneys deposited into the CIF be used for "the purposes of providing additional funding for programs, projects, improvements, services and other purposes directly or indirectly beneficial to the physical and mental health, welfare, safety and overall well-being of children in Kansas."

Statute requires the Legislature to emphasize programs and services that are data-driven and outcomes-based. Additionally, the statute says the Legislature may emphasize programs and services "that are generally directed toward improving the lives of children and youth by combating community-identified risk factors associated with children and youth becoming involved in tobacco, alcohol, drugs or juvenile delinquency."

In order to receive funding, programs must meet the following requirements: have a clearly identified objective; show the program design is supported by credible research; who the program will constitute best practices in the field; include an evaluation and assessment component is part of the program design; identify needed program modifications to enhance performance; show how the program can be modified for use in other areas; and identify when performance no longer justifies funding.

Community-based programs must show the availability of sufficient community leadership and the ability to appropriately implement the program. Programs that require community mobilization to be successful must show a specific strategy to obtain the required community

(d) Requires the transfer from the KEY Fund to the CIF be 102.5 percent of the amount transferred the prior year but allows the legislature to adjust the required transfers should the amounts received under the tobacco litigation settlement agreement be reduced or increased from the anticipated amount.

Educational Building Fund

KSA 76-6b01 was amended by 2025 SB 35 to remove authorization of a 1.0 mill tax levy on real property for the Educational Building Fund (EBF), for the use and benefit of the state institutions of higher education. The amendment effectuates a transfer of \$56.0 million dollars from the State General Fund (SGF) to EBF on July 1, 2026. In each subsequent year, the transfer is adjusted by the average percentage change in taxable value of all property in the state for the preceding ten years. On February 1, 2027, the Director of Property Valuation, Director of Legislative Research, and Director of the Budget will consult to determine the adjustment and amount to be transferred to EBF.

KSA 76-6b02 limits the use of the funds in the EBF to the construction, reconstruction, equipment and repair of buildings and grounds at the state educational institutions under the control and supervision of the State Board of Regents and for payment of debt service on revenue bonds issued to finance such projects, all subject to appropriation by the Legislature.

State Institutions Building Fund

KSA 76-6b04 was amended by 2025 SB 35 to remove authorization of a 0.5 mill tax levy on real property for the State Institutions Building Fund (SIBF), for the use and benefit of state institutions caring for persons who are mentally ill, retarded, visually handicapped, with a handicapping hearing loss or tubercular or state institutions caring for children who are deprived, wayward, miscreant, delinquent, children in need of care or juvenile offenders and who are in need of residential care or treatment, or institutions designed primarily to provide vocational rehabilitation for handicapped persons. The amendment effectuates a transfer of \$25.0 million dollars from SGF to SIBF on July 1, 2026. In each subsequent year, the transfer is increased by \$500,000.

State institutions include, but are not limited to, those institutions under the authority of the Commissioner of Juvenile Justice.

KSA 76-6b05 limits expenditures from the fund to be used for the construction, reconstruction, equipment and repair of buildings and grounds at institutions specified in K.S.A. 76-6b04, and amendments thereto, and for payment of debt service on revenue bonds issued to finance such projects, all subject to appropriation by the Legislature.

Correctional Institutions Building Fund

KSA 79-4803 transfers an amount equal to 10.0 percent of the balance of all moneys credited to the state gaming revenues fund to the Correctional Institutions Building Fund (CIBF), to be appropriated by the Legislature for the use and benefit of state correctional institutions.
