

	PURPOSE		POTENTIAL FOR REVOCATION		ADDITIONAL INFORMATION	
[Note: Quotations from agency submissions are in Times New Roman type.]	<u>Briefly describe the public purpose of the rule and regulation.</u>	<u>Number of times that response was given</u>	<u>Briefly describe how revocation would affect Kansans.</u>	<u>Number of times that response was given</u>	<u>Additional information necessary to understanding the necessity of this rule and regulation</u>	<u>Number of times that response was given</u>
KSA 77-440(b)(2)(D): for 2026 and every fifth year thereafter, the following state agencies:						
(i) Public employee relations board [Agency 84];	The agency gave a specific answer for each rule and regulation.	31	Revoking this regulation could hinder PERB's ability to handle cases involving public employers who are not state agencies.	5	Only K.S.A. 75-4322, 75-4323, 75-4324, 75-4325, 75-4326, 75-4327, 75-4328, 75-4333 and 75-4334 apply to public employers who are not state agencies. Regulations in Article 4 set out procedures for those who elect to proceed under PEERA [Public Employer-Employee Relations Act].	8
			Revoking this regulation would hinder PERB's ability to efficiently process complaints.	2	Subsection (a)(1) may need amending to conform better with K.S.A. 75-37,121(h)(1).	1
			Revoking this regulation would hinder the PERB's ability to carry out its statutory duties.	2		
			The agency gave a specific answer for each rule and regulation.	22		
(ii) abstracters' board of examiners [Agency 85];	The agency gave a specific answer for each rule and regulation.	4	The agency gave a specific answer for each rule and regulation.	4	[no additional information provided]	
(iii) Kansas real estate commission [Agency 86];	The agency gave a specific answer for each rule and regulation.	23	The agency gave a specific answer for each rule and regulation.	23	The Commission will initiate process for revocation.	1
(iv) state board of regents [Agency 88]	Defines terms used in article.	13	Would impair administration of the scholarship program for the benefit of Kansas students.	15	K.S.A. 76-746 authorizes the Board to maintain a phased retirement program for unclassified state university employees and to regulate the program.	8

	PURPOSE		POTENTIAL FOR REVOCATION		ADDITIONAL INFORMATION	
[Note: Quotations from agency submissions are in Times New Roman type.]	<u>Briefly describe the public purpose of the rule and regulation.</u>	<u>Number of times that response was given</u>	<u>Briefly describe how revocation would affect Kansans.</u>	<u>Number of times that response was given</u>	<u>Additional information necessary to understanding the necessity of this rule and regulation</u>	<u>Number of times that response was given</u>
KSA 77-440(b)(2)(D): for 2026 and every fifth year thereafter, the following state agencies:						
	Requires students to notify the Board whether a scholarship will be accepted for a full or partial academic year and provides a scholarship offer may be withdrawn if the notice is not timely received.	2	Would impair administration of the scholarship program for the benefit of Kansas students.	15	K.S.A. 74-32,106 requires the Board to adopt regulations for administration of the scholarship program and to establish terms, conditions and obligations of the scholarship.	6
	Requires the Board to contract with a financial needs analysis agency to determine applicants' financial need.	2	Would deny the program benefits to eligible employees.	8	For the discretionary expanded resident tuition categories that are authorized by K.S.A. 72-727 and elected by the Board, K.S.A. 76-730 requires the Board to adopt regulations prescribing criteria for eligibility under the discretionary categories, including the required proof of eligibility.	5
	Sets out requirements for scholarship application submissions.	2	No effect. Underlying statutes amended to eliminate program.	7	K.S.A. 74-3297 requires the Board to adopt rules and regulations as necessary to administer the program.	5
	The agency gave a specific answer for each rule and regulation.	128	Would impair state universities' administration of new student admissions.	6	K.S.A. 76-730 requires the Board to adopt regulations outlining the composition and procedures of residence committees to determine residency for tuition and fee purposes.	5
			Would eliminate the statutorily-required guidelines for application of this expanded resident tuition category.	5	K.S.A. 76-730 requires the Board to adopt regulations prescribing criteria or guidelines for determining residency for tuition and fee purposes.	5
			Would eliminate the statutorily-required guidelines for application of this expanded resident tuition category.	5	K.S.A. 74-32,169 requires the Board to ensure an institution meets minimum standards established by the act and by regulations adopted under the act before authorizing the institution to operate in the state.	3

	PURPOSE		POTENTIAL FOR REVOCATION		ADDITIONAL INFORMATION	
[Note: Quotations from agency submissions are in Times New Roman type.]	<u>Briefly describe the public purpose of the rule and regulation.</u>	<u>Number of times that response was given</u>	<u>Briefly describe how revocation would affect Kansans.</u>	<u>Number of times that response was given</u>	<u>Additional information necessary to understanding the necessity of this rule and regulation</u>	<u>Number of times that response was given</u>
KSA 77-440(b)(2)(D): for 2026 and every fifth year thereafter, the following state agencies:						
			Would impair the Board's ability to administer the program for the benefit of Kansas students.	5	Revocation in progress as of 7/15/26.	3
			Would hinder the distribution of state aid to community and technical colleges.	4	Implements supervisory authority granted to the Board by K.S.A. 71-801, K.S.A. 74-32,140, and K.S.A. 74-32,141.	2
			Would impair administration of the high school equivalency program for the benefit of Kansas students.	4	K.S.A. 71-406 authorizes the Board to adopt regulations governing the determination of students' residency for state aid purposes. K.S.A. 71-1803, for example, limits postsecondary tiered technical education state aid to technical and community colleges to the qualifying credit hours delivered to students who are Kansas Residents.	2
			Would impair administration of the Private and Out-of-state Postsecondary Educational Institution Act, which protects Kansas consumers.	4	K.S.A. 74-32,106 requires the Board to adopt regulations for administration of the scholarship program.	2
			Would impair the University of Kansas' administration of admissions requirements.	4	K.S.A. 74-32,237 requires the Board to adopt rules and regulations for determining educational ability, selecting examinations of educational ability, and selecting state scholars.	2
			Would impair the University of Kansas' administration of new student admissions.	4	K.S.A. 74-32,263 (formerly K.S.A. 72-4539) grants the Board authority to adopt regulations relating to processing and issuance of GED credentials.	2
			Would eliminate the statutorily required mechanisms for determining residency for tuition and fee purposes.	3	K.S.A. 74-3256 requires the Board to adopt regulations for the administration of the act and to provide information regarding application procedures.	2

	PURPOSE		POTENTIAL FOR REVOCATION		ADDITIONAL INFORMATION	
[Note: Quotations from agency submissions are in Times New Roman type.]	<u>Briefly describe the public purpose of the rule and regulation.</u>	<u>Number of times that response was given</u>	<u>Briefly describe how revocation would affect Kansans.</u>	<u>Number of times that response was given</u>	<u>Additional information necessary to understanding the necessity of this rule and regulation</u>	<u>Number of times that response was given</u>
KSA 77-440(b)(2)(D): for 2026 and every fifth year thereafter, the following state agencies:						
			Would eliminate the statutorily-mandated requirements for residence committee procedure.	3	K.S.A. 74-3256 requires the Board to adopt regulations for the administration of the act.	2
			Would impair administration of the scholarship program for the benefit of Kansas students among the Board, the participating educational institutions, and the Adjutant General.	3	K.S.A. 74-3276 requires the Board of Regents to adopt regulations for administering the act, including guidelines and procedures for program operation and management that must address the provisions to be included in contracts entered into under the program.	2
			Would impair administration of the scholarship program for the benefit of students.	3	The agency gave a specific answer for each rule and regulation.	47
			Would impair administration of the student health insurance program for state university students.	3		
			Would impair Board's ability to efficiently administer available scholarship funds for the benefit of Kansas students.	3		
			Would impair state universities' administration of admissions requirements.	3		
			Would impair the Board's ability to administer the scholarship program for the benefit of Kansas students.	3		
			Would deny Kansans access to GEDs.	2		
			Would weaken consumer protections for Kansas students.	2		
			The agency gave a specific answer for each rule and regulation.	33		

	PURPOSE		POTENTIAL FOR REVOCATION		ADDITIONAL INFORMATION	
[Note: Quotations from agency submissions are in Times New Roman type.]	<u>Briefly describe the public purpose of the rule and regulation.</u>	<u>Number of times that response was given</u>	<u>Briefly describe how revocation would affect Kansans.</u>	<u>Number of times that response was given</u>	<u>Additional information necessary to understanding the necessity of this rule and regulation</u>	<u>Number of times that response was given</u>
KSA 77-440(b)(2)(D): for 2026 and every fifth year thereafter, the following state agencies:						
(v) school retirement board [Agency 90]	KLRD Note: This agency was abolished in 1970.					
(vi) state department of education [Agency 91]	Defines key terms	3	key terms would not be defined, impacting understanding	7	In 2025, House Bill 2045 transferred authority to administer Parents as Teachers from the State Board to the new Office of Early Childhood. It is unclear why the State Board would maintain responsibility for the rules and regulations specifying administration of these grants.	3
	Defines key terms used	3	Would not affect Kansans -- appeals no longer go to KSDE, but BOR	7	See K.S.A. 72-3812(a)	4
	definitions; provides KS field staff, attorneys, advocates, parents, and DE staff with definitions of several key sped phrases/words	2	Would not affect Kansans -- BOR authority	5	See K.S.A. 72-3812(f)	9
	The agency gave a specific answer for each rule and regulation.	152	multiple definitions of key sped phrases/words; revocation would lead to inefficiency and wasted resources in the future since definitions would be required so that phrases/words have the same definition/meaning across the state	3	The agency gave a specific answer for each rule and regulation.	5
			No effect	3		
			The grantmaking agency would have the discretion to set grant application parameters, and the flexibility to adjust as needed. Also, authority transferred to OEC beginning July 2026, so no longer a KSDE regulation.	3		

	PURPOSE		POTENTIAL FOR REVOCATION		ADDITIONAL INFORMATION	
[Note: Quotations from agency submissions are in Times New Roman type.]	<u>Briefly describe the public purpose of the rule and regulation.</u>	<u>Number of times that response was given</u>	<u>Briefly describe how revocation would affect Kansans.</u>	<u>Number of times that response was given</u>	<u>Additional information necessary to understanding the necessity of this rule and regulation</u>	<u>Number of times that response was given</u>
KSA 77-440(b)(2)(D): for 2026 and every fifth year thereafter, the following state agencies:						
			multiple definitions of key phrases/words; revocation would lead to inefficiency and wasted resources in the future since definitions would be required so that phrases/words have the same definition/meaning across the state	2		
			Schools may not have to provide any services or total service. Schools would be able to choose when and how students with disabilities who were suspended receive their special education services.	2		
			The agency gave a specific answer for each rule and regulation.	128		
(vii) Kansas department of revenue [Agency 92]	Supplements existing statute - part of accepted scheme outlining uniform rules and methods for allocating and apportioning business income from multiple states	29	Revoking this regulation would detract from the effective enforcement of the Kansas Income Tax Act.	68	[no additional information provided]	
	Outlines how sales tax applies to transactions that may be unique to a particular industry or line of business	21	Revoking this regulation would detract from the effective enforcement of the Kansas Charitable Gaming Act.	25		
	Outlines necessary industry practice and recordkeeping requirement(s) to permit effective enforcement of statute	14	Revoking this regulation would detract from the effective implementation of the Kansas Retailers' Sales Tax Act.	20		
	Outlines necessary industry practice requirement(s) to permit effective enforcement of statute	14	Revoking this regulation would detract from the effective enforcement of the Kansas Cigarette and Tobacco Products Act.	18		

	PURPOSE		POTENTIAL FOR REVOCATION		ADDITIONAL INFORMATION	
[Note: Quotations from agency submissions are in Times New Roman type.]	<u>Briefly describe the public purpose of the rule and regulation.</u>	<u>Number of times that response was given</u>	<u>Briefly describe how revocation would affect Kansans.</u>	<u>Number of times that response was given</u>	<u>Additional information necessary to understanding the necessity of this rule and regulation</u>	<u>Number of times that response was given</u>
KSA 77-440(b)(2)(D): for 2026 and every fifth year thereafter, the following state agencies:						
	Supplements existing statute by clarifying rules necessary for effective administration	14	Revoking this regulation would detract from the effective enforcement of the Kansas Liquor Drink Tax Act.	13		
	Supplements existing statute by clarifying details needed for effective enforcement	12	Revoking this regulation without replacement would not fulfill the legislative purpose of 2022 Senate Bill 215 - promotes reasonable and necessary standards for operating drivers education	12		
	Supplements existing statute by clarifying rules and definitions necessary for effective administration	12	Revoking this regulation would detract from the effective implementation of the Kansas Compensating Tax Act.	11		
	Supplements statutory sales tax exemption by clarifying details needed for effective enforcement	10	Revoking this regulation would detract from the effective enforcement of the Interstate Motor Fuel Use Act.	10		
	Supplements existing statute by clarifying rules needed for effective enforcement	9	Revoking this regulation would detract from the effective implementation of the Kansas Retailers' Sales Tax Act. The regulation clarifies retailers' duties under law.	8		
	This regulation was transferred to the Department of Revenue by 2022 Senate Bill 215 - prescribes rules for operating a drivers' training school	9	Revoking this regulation would detract from the effective implementation of K.S.A. 70a-101 et seq.	6		
	This regulation was transferred to the Kansas Highway Patrol by 2022 House Bill 2377.	8	Revoking this regulation would detract from the effective implementation of the Kansas Retailers' Sales Tax Act. The regulation provides clarity needed to administer the statutory exemptions.	6		

	PURPOSE		POTENTIAL FOR REVOCATION		ADDITIONAL INFORMATION	
[Note: Quotations from agency submissions are in Times New Roman type.]	<u>Briefly describe the public purpose of the rule and regulation.</u>	<u>Number of times that response was given</u>	<u>Briefly describe how revocation would affect Kansans.</u>	<u>Number of times that response was given</u>	<u>Additional information necessary to understanding the necessity of this rule and regulation</u>	<u>Number of times that response was given</u>
KSA 77-440(b)(2)(D): for 2026 and every fifth year thereafter, the following state agencies:						
	Supplements existing statute by clarifying interstate commerce exemption (public utility)	6	Revoking this regulation would detract from the effective enforcement of the Liquefied Petroleum Motor Fuel Tax Law.	5		
	Supplements existing statute by clarifying rules needed for effective enforcement - details required documentation	6	Revoking this regulation would reduce clarity about how to document a Homestead claim.	5		
	Supplements existing statute by clarifying "place of business" relevant to sourcing of certain sales; see K.S.A. 12-189	5	Revoking this regulation would detract from the effective enforcement of the act in K.S.A. 79-1008 through 1015.	4		
	Supplements existing statute by clarifying details necessary for effective administration	5	Revoking this regulation would detract from the effective implementation of the Kansas Retailers' Sales Tax Act. The regulation clarifies appropriate treatment of common contractor transactions.	4		
	Outlines necessary rules and requirements for effective implementation of K.S.A. 70a-101 et seq., as required by K.S.A. 70a-103	3	Revoking this regulation would detract from the effective implementation of the Motor Vehicle Tax Act - clear valuations.	4		
	Supplements existing statute by clarifying rules needed for effective enforcement - details required documentation and recordkeeping procedures	3	No effect - this regulation is obsolete as a result of destination-based sourcing for these types of sales.	3		
	Identifies factors that may be considered in determining whether an individual is a Kansas resident	2	No effect - this regulation duplicates part of K.S.A. 12-189.	2		

	PURPOSE		POTENTIAL FOR REVOCATION		ADDITIONAL INFORMATION	
[Note: Quotations from agency submissions are in Times New Roman type.]	<u>Briefly describe the public purpose of the rule and regulation.</u>	<u>Number of times that response was given</u>	<u>Briefly describe how revocation would affect Kansans.</u>	<u>Number of times that response was given</u>	<u>Additional information necessary to understanding the necessity of this rule and regulation</u>	<u>Number of times that response was given</u>
KSA 77-440(b)(2)(D): for 2026 and every fifth year thereafter, the following state agencies:						
	Outlines necessary recordkeeping requirement(s) to permit effective enforcement of statute	2	Regulation is required by K.S.A. 75-5156	2		
	Outlines procedure for stamp refunds provided by K.S.A. 79-3312	2	Revoking this regulation would create uncertainty about the procedures to claim/issue a sales tax refund.	2		
	Supplements existing statute by clarifying legal authorities	2	Revoking this regulation would create uncertainty about the requirements for wholesalers to request stamp refunds.	2		
	Supplements existing statute by clarifying rules needed for effective enforcement - details license and bonding requirements	2	Revoking this regulation would detract from the effective administration of local sales tax.	2		
	Supplements statute by providing essential details - time for filing returns	2	Revoking this regulation would detract from the effective enforcement of local sales tax.	2		
	Supplements statutory sales tax exemptions by clarifying details needed for effective enforcement	2	Revoking this regulation would detract from the effective implementation of the Kansas Withholding and Declaration of Estimated Tax Act.	2		
	The agency gave a specific answer for each rule and regulation.	132	Revoking this regulation would reduce certainty concerning the effects of Department of Revenue guidance.	2		
			Revoking this regulation would reduce clarity surrounding the qualifications for a Homestead claim.	2		
			Revoking this regulation would reduce clarity surrounding the qualifications for/calculation of a Homestead claim.	2		

	PURPOSE		POTENTIAL FOR REVOCATION		ADDITIONAL INFORMATION	
[Note: Quotations from agency submissions are in Times New Roman type.]	<u>Briefly describe the public purpose of the rule and regulation.</u>	<u>Number of times that response was given</u>	<u>Briefly describe how revocation would affect Kansans.</u>	<u>Number of times that response was given</u>	<u>Additional information necessary to understanding the necessity of this rule and regulation</u>	<u>Number of times that response was given</u>
KSA 77-440(b)(2)(D): for 2026 and every fifth year thereafter, the following state agencies:						
			Revoking this regulation would result in less clear recordkeeping to verify refund claims and would detract from the effective enforcement of the Kansas Motor Fuel Tax Law.	2		
			The agency gave a specific answer for each rule and regulation.	82		
(viii) Kansas department of revenue—division of property valuation [Agency 93]	Defines “bona fide transaction” and “fair and valuable consideration” for the purchase or lease of telecommunications machinery and equipment and railroad machinery and equipment	2	Revoking this regulation would detract from effective implementation of the RMA designation program.	7	[no additional information provided]	
	Prescribes continuing education requirements for RMA designation, as required by K.S.A. 19-430	2	Revoking this regulation would detract from implementation of the Kansas Real Estate Ratio Study Act, intended to provide statistical information regarding the relationship of the appraised value to the selling price of real estate which has sold during the study year and the relative level of uniformity of appraisal within and among counties. The regulation helps define county personnel's duties to cooperate with PVD to furnish and record statistical information.	4		

	PURPOSE		POTENTIAL FOR REVOCATION		ADDITIONAL INFORMATION	
[Note: Quotations from agency submissions are in Times New Roman type.]	<u>Briefly describe the public purpose of the rule and regulation.</u>	<u>Number of times that response was given</u>	<u>Briefly describe how revocation would affect Kansans.</u>	<u>Number of times that response was given</u>	<u>Additional information necessary to understanding the necessity of this rule and regulation</u>	<u>Number of times that response was given</u>
KSA 77-440(b)(2)(D): for 2026 and every fifth year thereafter, the following state agencies:						
	The agency gave a specific answer for each rule and regulation.	16	Revoking this regulation would detract from implementation of the Kansas law concerning property tax valuation and exemption. The regulation supplements statute by helping to ensure machinery and equipment exempt pursuant to K.S.A. 79-223 represents an investment made after the effective date of the exemption.	3		
			Revoking this regulation would detract from implementation of the Kansas law concerning property tax valuation and exemption. The regulation supplements statute by helping to ensure machinery and equipment exempt pursuant to K.S.A. 79-224 represents an investment made after the effective date of the exemption.	3		
			The agency gave a specific answer for each rule and regulation.	3		
(ix) state board of tax appeals [Agency 94]	The agency gave a specific answer for each rule and regulation.	29	Revocation would create ambiguity in the interpretation and application of the Board's procedural regulations.	2	[no additional information provided]	
			Revocation would reduce consistency in hearing procedures and could adversely affect the orderly presentation of cases.	2		
			The agency gave a specific answer for each rule and regulation.	25		
(x) Kansas office of veterans services [Agency 97]	Surviving Dependents Education Benefits	2	The agency gave a specific answer for each rule and regulation.	20	No changes required	3

	PURPOSE		POTENTIAL FOR REVOCATION		ADDITIONAL INFORMATION	
[Note: Quotations from agency submissions are in Times New Roman type.]	<u>Briefly describe the public purpose of the rule and regulation.</u>	<u>Number of times that response was given</u>	<u>Briefly describe how revocation would affect Kansans.</u>	<u>Number of times that response was given</u>	<u>Additional information necessary to understanding the necessity of this rule and regulation</u>	<u>Number of times that response was given</u>
KSA 77-440(b)(2)(D): for 2026 and every fifth year thereafter, the following state agencies:						
	The agency gave a specific answer for each rule and regulation.	36			Update agency name	2
					The agency gave a specific answer for each rule and regulation.	33
(xi) Kansas water office [Agency 98]	Establish process to authorize weather modification activity conducted to increase rainfall or suppress hail damage whether such activity is conducted not-for-profit, for profit, or purely for research	6	Revocation would prevent the State of Kansas from supplying water to meet the public water supply demands of thousands of Kansans.	8	[no additional information provided]	
	Implementation of activities to assist with restoring, protecting, or rehabilitating the banks of the Arkansas, Kansas, or Missouri rivers from erosion	3	Kansans would be unable to implement weather modification projects.	6		
	The agency gave a specific answer for each rule and regulation.	19	Revocation would prevent the State of Kansas from supplying water to the Lower Smoky Hill Water Supply Access District during drought conditions.	5		
			Revocation would prevent the State of Kansas from supplying water to contracted water assurance districts during drought conditions.	3		
			The agency gave a specific answer for each rule and regulation.	6		

	PURPOSE		POTENTIAL FOR REVOCATION		ADDITIONAL INFORMATION	
[Note: Quotations from agency submissions are in Times New Roman type.]	<u>Briefly describe the public purpose of the rule and regulation.</u>	<u>Number of times that response was given</u>	<u>Briefly describe how revocation would affect Kansans.</u>	<u>Number of times that response was given</u>	<u>Additional information necessary to understanding the necessity of this rule and regulation</u>	<u>Number of times that response was given</u>
KSA 77-440(b)(2)(D): for 2026 and every fifth year thereafter, the following state agencies:						
(xii) Kansas department of agriculture—division of weights and measures [Agency 99]	The agency gave a specific answer for each rule and regulation.	28	The agency gave a specific answer for each rule and regulation.	28	The agency gave a specific answer for each rule and regulation.	27
(xiii) state board of healing arts [Agency 100]	The agency gave a specific answer for each rule and regulation.	197	The agency gave a specific answer for each rule and regulation.	197	The agency gave a specific answer for each rule and regulation.	7
(xiv) behavioral sciences regulatory board [Agency 102]	Clarifies acts by applicants and licensees that would be considered unprofessional conduct	7	As a fee funded agency, the BSRB is dependent on licensing revenue to support operations. If revoked, the agency could not support operations and Kansans would be unable to obtain necessary services	7	The board is in the process of revoking this regulation	2
	Clarifies for licensees that were selected for random audit when renewing their licenses, what forms and documentation must be provided and the timeframe for providing that information	7	Revocation would cause confusion for licensees on which version of the DSM to use to diagnosis and treat and could lead to licensees using outdated practices, potentially affecting billing for services or harming clients	6	The board is pursuing revocation of this regulation.	2
	Clarifies the information that must be submitted and process to be followed for individuals licensed in another state to apply for licensure by reciprocity.	7	Revocation would create confusion for applicants and licensees on what acts would be considered unprofessional conduct, which could lead to an increase in harm to clients	7	The agency gave a specific answer for each rule and regulation.	6

	PURPOSE		POTENTIAL FOR REVOCATION		ADDITIONAL INFORMATION	
[Note: Quotations from agency submissions are in Times New Roman type.]	<u>Briefly describe the public purpose of the rule and regulation.</u>	<u>Number of times that response was given</u>	<u>Briefly describe how revocation would affect Kansans.</u>	<u>Number of times that response was given</u>	<u>Additional information necessary to understanding the necessity of this rule and regulation</u>	<u>Number of times that response was given</u>
KSA 77-440(b)(2)(D): for 2026 and every fifth year thereafter, the following state agencies:						
	Sets specific amounts for licensing fees, as required in the fee statute, which includes fee caps	7	Revocation would create confusion for licensees on the appropriate methods of demonstrating completion of continuing education hours, which mean licensees would spend more time calling and e-mailing BSRB staff and BSRB staff would have less time to assist other applicants	6		
	Clarifies the information necessary and process to apply for licensure, as well as the information necessary and process to apply for a temporary license.	6	Revocation would create confusion for licensees on what must be included in client records, how long records should be maintained, and the format the records could be maintained	4		
	Details the biennial continuing education requirements for license renewal	6	Revocation would create confusion on acceptable licensing examination standards to satisfy requirements for licensure, which could lead to case-by-case evaluations with more subjectivity, resulting in longer licensing processing timeframes	2		
	Licensure statute requires passage of a licensing examination approved by the board and this regulation clarifies information concerning this examination and when applicant can take the licensing examination.	6	Revocation would create confusion on acceptable standard for using computers for psychological testing, meaning practitioners could use outdated methods	2		
	Provides definitions for use in clarifying several terms utilized in other regulations concerning the regulation of this profession	6	Revocation would create confusion on necessary items to be provided an manner of applying for license, leading to longer processing timeframes	7		

	PURPOSE		POTENTIAL FOR REVOCATION		ADDITIONAL INFORMATION	
[Note: Quotations from agency submissions are in Times New Roman type.]	<u>Briefly describe the public purpose of the rule and regulation.</u>	<u>Number of times that response was given</u>	<u>Briefly describe how revocation would affect Kansans.</u>	<u>Number of times that response was given</u>	<u>Additional information necessary to understanding the necessity of this rule and regulation</u>	<u>Number of times that response was given</u>
KSA 77-440(b)(2)(D): for 2026 and every fifth year thereafter, the following state agencies:						
	Clarifies which version of the Diagnostic and Statistical Manual (DSM) of Mental Disorders is the appropriate manual for diagnosis and treatment	5	Revocation would create confusion on what is needed to be provided to renew or reinstate a license, leading to longer processing timeframes	4		
	Clarifies the items necessary to be provided and processes to renew a permanent license or request reinstatement of a license.	4	Revocation would create uncertainty as to what constitutes acceptable continuing education, which is required by statute. CE requirements ensure licensees remain up-to-date on current practices. Kansans may see a decrease in the quality of professional services.	6		
	Details the methods to demonstrate completion of continuing education hours if audited upon license renewal, so the standards are clear and consistent for licensees	4	Revocation would decrease clarity in standards to become board-approved supervisor, would could decrease number of individuals seeking this role, which could lead to a decrease in available supervisors, negatively impacting services being provided by individuals needing supervision	2		
	Establishes appropriate standards for creation and maintenance of client records	4	Revocation would lead to ambiguity of terms and could negatively impact the ability of licensees and members of the public to interpret regulations	7		
	Clarifies objective requirements for educational programs and coursework to meet the appropriate standards for licensure, to ensure practitioners are adequately educated and trained, to ensure they do not harm members of the public	3	Revocation would lead to confusion by applicants and educational programs on what coursework and educational program standards would satisfy the qualifications for licensure, leading to more staff time answering questions for applicants and programs	3		

	PURPOSE		POTENTIAL FOR REVOCATION		ADDITIONAL INFORMATION	
[Note: Quotations from agency submissions are in Times New Roman type.]	<u>Briefly describe the public purpose of the rule and regulation.</u>	<u>Number of times that response was given</u>	<u>Briefly describe how revocation would affect Kansans.</u>	<u>Number of times that response was given</u>	<u>Additional information necessary to understanding the necessity of this rule and regulation</u>	<u>Number of times that response was given</u>
KSA 77-440(b)(2)(D): for 2026 and every fifth year thereafter, the following state agencies:						
	Clarifies manner of obtaining post graduate experience and supervision hours towards a clinical license, number of hours necessary, and responsibilities of supervisors.	2	Revocation would lead to confusion by licensees and members of the public, in the state and outside of the state, regarding what constitutes in-state practice and whether someone is able to provide remote services across state lines. This could adversely affect billing and potentially lead to out-of-state licensees providing services without following Kansas laws and scope.	5		
	Clarifies requirements for educational programs and coursework to meet the appropriate standards for licensure, to ensure practitioners are adequately educated and trained, to ensure they do not harm members of the public	2	Revocation would lead to confusion by licensees on how to effectively coordinate care with physician, which may lead to a insufficient coordination of services, harming clients.	5		
	Clarifies requirements for the utilization of computers in psychological testing	2	Revocation would lead to confusion for licensees on the length of time to respond to audits and what would need to be provided, which would lead to more questions for board staff, leading to longer processing timeframes for other matters	7		
	Details the general documentation standards for qualifying continuing education credit	2	Revocation would lead to confusion from reciprocity applicants on the information to be submitted, which would lead to additional questions and longer processing times	7		

	PURPOSE		POTENTIAL FOR REVOCATION		ADDITIONAL INFORMATION	
[Note: Quotations from agency submissions are in Times New Roman type.]	<u>Briefly describe the public purpose of the rule and regulation.</u>	<u>Number of times that response was given</u>	<u>Briefly describe how revocation would affect Kansans.</u>	<u>Number of times that response was given</u>	<u>Additional information necessary to understanding the necessity of this rule and regulation</u>	<u>Number of times that response was given</u>
KSA 77-440(b)(2)(D): for 2026 and every fifth year thereafter, the following state agencies:						
	The agency gave a specific answer for each rule and regulation.	36	Revocation would lead to confusion regarding the acceptable standards for the licensing examination as well as when applicants can be approved to take the examination, resulting in individual evaluations of potential examinations and longer application times	4		
			Revocation would make the program review process much more difficult to determine if an applicants educational qualifications meet the standards for licensure, leading to longer processing timeframes	3		
			The agency gave a specific answer for each rule and regulation.	22		
(xv) state bank commissioner and savings and loan commissioner—joint regulations [Agency 103]	The regulation prescribes how the market value of negotiable promissory notes secured by first lien mortgages on real estate and pledged and assigned by a bank or savings and loan association as security for deposits of municipal or quasi-municipal corporations shall be determined when they are used by a governmental unit as security for deposit of public moneys with any bank, savings and loan association or savings bank.	1	The definition of "market value" would not be prescribed in this limited instance, so "market value" may be determined in another way that introduces more risk to public moneys deposits thereby harming Kansans.	1	[no additional information provided]	

	PURPOSE		POTENTIAL FOR REVOCATION		ADDITIONAL INFORMATION

KSA 77-440(b)(2)(D): for 2026 and every fifth year thereafter, the following state agencies:						
(xvi) consumer credit commissioner, credit union administrator, savings and loan commissioner and bank commissioner—joint regulations [Agency 104]	The regulation limits and clarifies how a creditor may determine adjustments to interest rates when a note is secured by a real estate mortgage or a contract for deed to real estate that permits an adjustable interest rate. It also prohibits a creditor from charging a borrower fees in connection with regularly-scheduled adjustments to an interest rate, payment, outstanding principal loan balance, or loan term.	1	Creditors may have the opportunity to manipulate certain adjustable interest rates in a manner that does not reflect market rates which is detrimental to Kansans.	1	[no additional information provided]	
(xvii) state board of indigents' defense services [Agency 105]	The agency gave a specific answer for each rule and regulation.	59	Decreased efficiency.	6	Revision approval in process	6
			Surprise billing rates could dramatically increase costs.	3	Considering revision to allow for greater access to transcripts.	2
			Increased cost.	2	The agency gave a specific answer for each rule and regulation.	15
			Reg needed to cap attorneys at rates that are reasonable and can be foreseeably compensated by agency	2		
			Revocation would limit the agency's ability to pay counsel and would result in further attorney shortages.	2		
			The agency gave a specific answer for each rule and regulation.	44
